

## Location A – 2405 Capitol in The Galleria

Square footage: 1,378

This space is located inside The Galleria which is home to several successful businesses. This unique 1,378 SF space features exposed brick and has been built out as a hair salon. The Galleria is located near Civic Center Square, the Convention Center, and not too far from the Federal Building and City Hall. This is a creative space for the right tenant.
