The Downtown Fresno Partnership is a non-profit organization dedicated to creating a vibrant downtown. Our Membership Program allows you to participate in downtown Fresno's revitalization by supporting our successful initiatives. Your contribution is more than a membership – it's a commitment to the success of our city.

Members-Only Party

Members-Only jackets optional.

All members will be invited to a member's-only party where they'll receive an exclusive update from our President and CEO as well as a special guest. Expect food, drink and fun meeting others dedicated to making downtown more awesome.

Individual Members

Make a difference downtown.

As an individual member, you'll receive invitations to our events before the general public, discounts to our events, and opportunities to volunteer where you can make a difference downtown.

Business Members

Propel downtown ahead.

Business members have the special opportunity to promote their company, host team building activities and engage with dedicated downtown advocates who are helping make the heart of the city more vibrant. Receive company recognition via our website (page views of 1,400,000) and social media channels (combined reach over 15,000).
